Encoders

PASSION FOR SOLUTION IN AUTOMATIZATION

INDIVIDUAL SOLUTION FOR OUR CUSTOMERS

- tailor-made encoders improvements
- the most using encoders in stock
- speed delivery
- reliability and long life-time
- 40 years' experience in the field

Our encoders are used all over the world

Our products

Optoelectronic
absolute/incremental

Magnetical
absolute/incremental

Connectors, encoder
holders, encoder clips,
pinions, connection
cables

Hand wheels

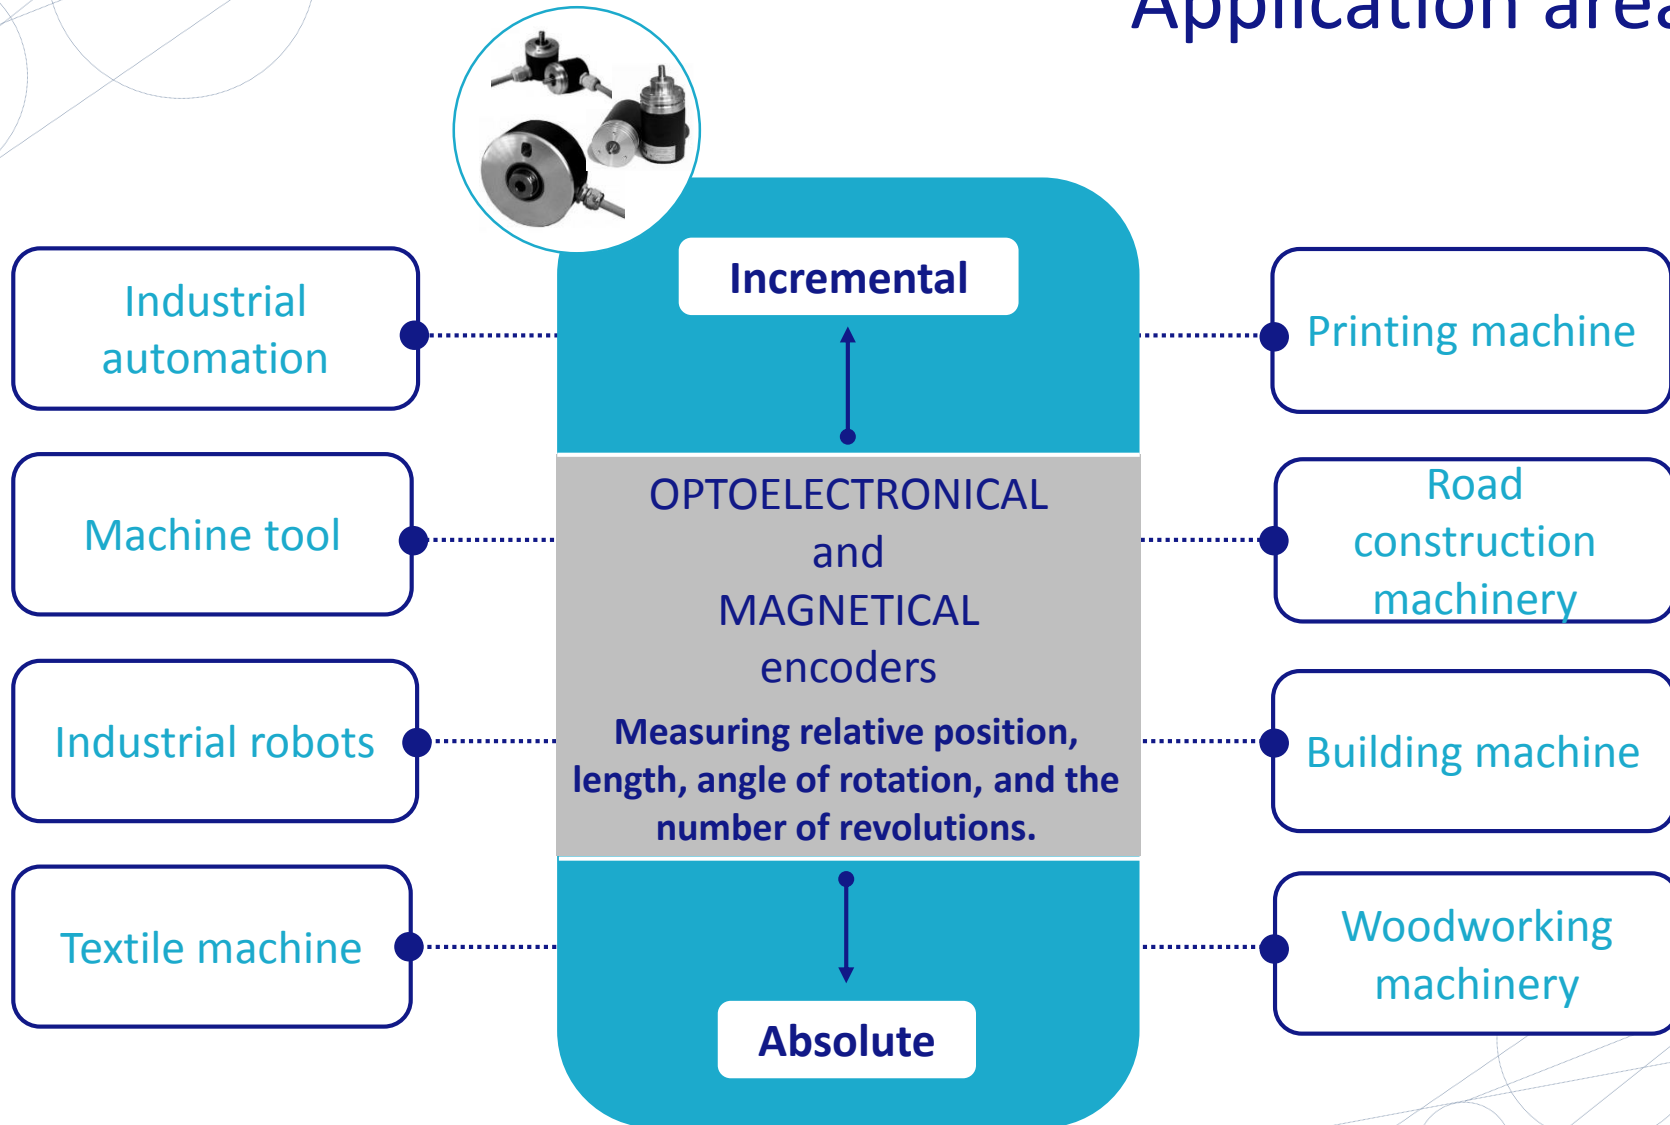

Draw-wire
encoder

Gauges

Optoelectrical and magnetical encoders

Application areas

Rope encoders, gauges, hand wheels

Application areas

DRAW-WIDE ENCODERS

material feeders
lifts and elevators
manipulation machinery
packaging lines
building control

GAUGES

precise engineering
checking and separating
machines
chain measuring
automatic measuring
data collecting for electronical
processing

HAND WHEELS

automatic machines hand
operating
system information entering
